

BAIN

Challenge 2016

**Looking to put all the knowledge and skills you've picked up from school to use?
Looking for a challenging but rewarding experience?**

The Bain & Company Mexico Case Challenge 2016 promises participants a truly transformative experience as they take on contemporary business problems in a rigorous setting.

Join today for the opportunity to challenge yourself in the creation of high impact solutions for real-life situations that companies face on a daily basis

Process

- Make teams of 3-4 students (min. 3 and max. 4 people)
- Sign up with your team and participants name
- Solve an online strategic test and strategy business case
- Three teams will present their work to a selected leadership group from the Bain Mexico City Office
- The winner will participate on the LATAM final with teams from Brazil, Chile and Argentina
